

- . . enjoy cycling and would like a change from solo rides?**
- . . like the idea of cycling on quiet roads in the surrounding countryside?**
- . . want to meet a friendly group of like-minded cyclists?**

Then *Wellesbourne Wheelers* could be the cycling club for you.

Whether male or female, experienced cyclist or beginner, you can be sure of a warm welcome.

The website is the club's hub with ride details and dates, a lively Forum, how to join and lots more . . .

Cyclist?

Here's a local club

Who are we?

Wellesbourne Wheelers Cycling Club - a group of cyclists from the Wellesbourne, Warwickshire and surrounding areas that enjoys riding together.

What do we offer?

A growing calendar of rides with different distances and durations to suit every rider - and we stop for lunch too!

How are the rides organised?

Each ride has a leader, who has planned the route to take into account the variable weather, possible mechanical issues and to make sure we get to the lunch stop at the right time - allowing the other riders not to have to think where they are going!

How do I find out more?

Go to the club's website for lots more information, contact us through the online Enquiry form - *or just come along to the start of one of the rides.*

Established in early 2015 as a casual group of riders we became a formal club at the start of 2016 with a growing membership - we now even have our own club clothing!
